Our partners for your wellbeing.

We use products from Declear, Thalgo and Malu Wilz.

Walther Kühner Physiotherapy.

Massages, lymph drainage, manual therapy, physiotherapy, and much more – privately or as prescribed by a doctor.

Health Centre.

In the health centre you will find the private practice of Dr. medic. Bentia with regeneration therapy according to Prof. Ana Aslan, a holistic medical accompaniment for the somewhat older person. In addition, there is also the practice for plastic and aesthetic surgery of Dr. Waldhofen with its own outpatient OP centre.

Spa Hotel Baths.

The spa hotel baths can be reached from the hotel via a direct access. In addition to the Roman-Irish steam bath, treatment such as moor baths, hydrotherapy and Shiatsu are also offered.

KissSalis Therm.

In addition to the spacious thermal landscape, the ultra-modern health bathing landscape offers a sauna park, a fitness area and a wellness pavilion.
